ADVERTISING RATE CARD 2021

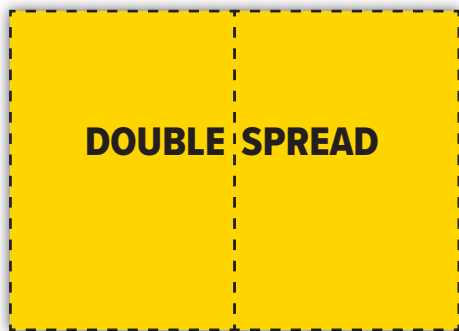

VOX is a free, quarterly magazine - the only interdenominational Christian magazine in Ireland. Every three months 4,500 - 5,000 copies are distributed directly to subscribers and through churches, bookshops, cafés and colleges.

At the intersection of faith, life and reality in 21st Century Ireland, VOX magazine gives voice to Christians who want to engage with one another and with the world around them. It is proudly produced by an all-volunteer team.

The magazine is complimented by our online presence at www.vox.ie, where the majority of the magazine content plus online-only features can be found.

WEBSITE AD RATES & INFO

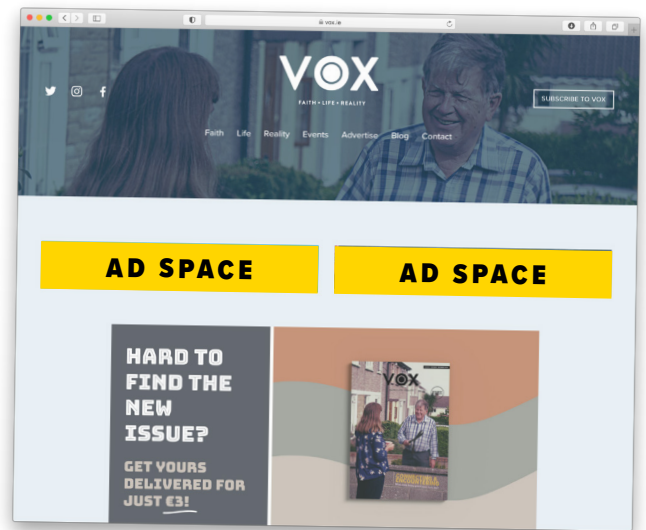

Our website (www.vox.ie) is a great place to enjoy VOX stories and features on the go and to keep up-to-date with events taking place up and down the country.

We also offer advertising space, such as what you see on the right side of our website.

We have an introductory offer of just €10 per week and your ad can be scheduled exactly as you wish.

Artwork should be supplied as a JPEG 1500 px wide x 250 px high. We can also create the ad for you for a charge of €15.

The ad should carry very basic information and be clickable to link to your own website (or event page) where people can find out more.

Website ads need to be simple!
